At **SM**, we believe that a natural approach to mathematics—one based in daily life and real-world examples—makes the discipline more enjoyable for both learning and teaching. We center on problem-solving skills with a four-step method implemented in the textbooks and workbooks. The students' sense of self-fulfillment is reinforced with challenges in the Mathematical Kangaroo section. Our digital platform offers online tests, extra practice, and other resources. Available in Spanish and English.

SM Aprendizaje, our online platform, includes an evaluation generator that allows teachers to plan exams and grade them in the platform itself. Likewise, each chapter has a digital self-evaluation for students to fill out anywhere.

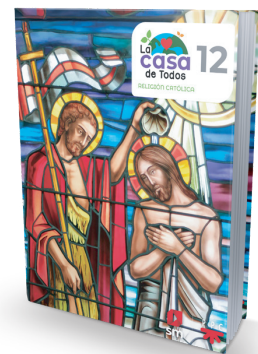

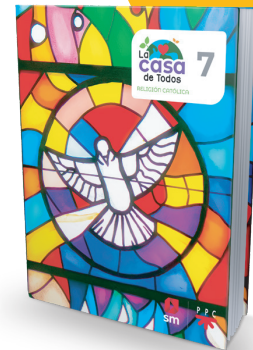

CATHOLIC RELIGION IN SPANISH

Our **La Casa de Todos** (PK - 12) is a Catholic Religion series that motivates the acquisition of life skills. It promotes experiential learning and emotional growth with the goal of fostering the development of social commitment through the joy of the Gospel and the figure of Jesus.

The series' name refers to the appreciation of one's neighbor and our planet. Contents draw upon the encyclicals *Lumen Fidei*, *Laudato Si'*, and *Fratelli Tutti* as starting points. Through some activities, **La Casa de Todos** aligns its goals with the Global Compact on Education (GEC).

Mi catecismo
(My Catechism),
